

## 4-H CLUB BOOTH

### 4-H PROMOTION

**Awards sponsored by:** Howard County 4-H Dairy Club and Mr & Mrs Hugh Rein

Ribbons: Grand Champion and Champion Booths  
Grand Champion and Champion Shoeboxes  
Excellent - 1<sup>st</sup> Place  
Very Good - 2<sup>nd</sup> Place

Premiums: 20.00 15.00

(Note: The top two Champion Booths will go on to State competition. Clover club booths do not receive Champion because they cannot go to State Fair.)

**Each Howard County 4-H Club and Clover Club may enter one booth and one shoebox. Booth may be entered under Class 1 or Class 2.**

1. All rules from 4-H Department Rules apply.
2. **New booth dimensions: 36" W x 30" D x 16"**. The sides must be in the shape of a right triangle using the following dimensions: 16" tall x 30" long/deep. Must use the new dimensions starting 2019.
3. All Booth ideas are to be decided and voted upon at a club meeting. The construction and set-up is to be a joint effort by majority of club members. Previous year theme ideas are unacceptable. Leaders and parents are supervisors only! Otherwise disqualification will be awarded.
4. Contents of the booth must not exceed the booth dimensions listed. Items may not be taller than sides of the booth. A roller test consisting of a wooden dowel being rolled smoothly down the open edges will be conducted at time of entry. Booth contents may graze dowel but not be in risk of damage or broken.
5. Booth construction must last for 7 days. Mechanical and electrical parts should be designed to run continuously being plugged in and unplugged daily! Items should be securely fastened to prevent loss. Do not use valuable items or food as contents

## 4-H CLUB BOOTH – Cont.

6. Club name, city/county, leaders name and address must be neatly printed on card and securely fastened on back of booth in upper right corner. Awards will be mailed to organizational leaders.
7. The AA statement must be displayed appropriately. (See general rules.)
8. For **Class Three**, the shoebox may be no less than 6"x10" and no more than 9"x14". The overall height (which includes the box and any float materials) may not exceed 15". Shoebox floats will be seen and judged from all sides. Judging criteria may include but not be limited to the following: Effective title, Promotes 4-H, Attracts attention, Holds Interest, General Appearance, Workmanship, Encourages participation in 4-H, Suitable subject matter, and Originality. No electric or battery powered components will be permitted. Do not put the shoebox on a wagon or cart etc. that has moving parts. All items must be securely attached to the shoebox float. **"Float" - shoebox will look like a float in a parade not a diorama.**

### CLASSES:

1. State Fair Annual Theme booths shall use the following themes for -  
2022 - "4-H Cares"  
2022 – "4-H Friendships"
2. Open Themed booths may feature any theme promoting 4-H.
3. Shoe Box Floats. Each entry must be constructed on a cardboard shoebox.
