Premiums: Classes A - G 6.50 6.00 5.50 5.00 4.50

Judges reserve the right to open Canned Goods only if necessary to make best decision. Open items will be marked.

Must be enrolled in Food and Nutrition Project to exhibit in the department and current year 4-H Campers. (See general rules.)

1. All rules from 4-H & FFA Department Rules apply.
2. **ALL CANNED GOODS NEED TO BE PRESSURE CANNED.** Exception: Tomatoes, Fruits, Pickled Vegetables which must be processed in a boiling water bath canner. To process the low-acid food safety they need to be processed at a higher temperature higher in a pressure canner for the designated time.
3. Use unmarred rings and lids. (Jars must be clean and rings and lids free from rust.)
4. Canned vegetables, fruits, juices, pickles and meats must be exhibited in **clear glass, standard pint or quart jars only.** (Not blue or green jars). Leave rim rings on jars. All canned food must be sealed. Please check latest U.S.D.A. findings on preserving at www.homefoodpreservation.com
5. Jellies, preserves, and jams must be exhibited in clear glass standard ½ pint or pint jar. Not paraffin sealed.
6. **Label each jar clearly as to product name, processing method, time for processing the jars, and date. (e.g. Tomatoes/Boiling Water Bath/# minutes and Date)**
7. Class D & E Label must identify all ingredients included.
8. Entry tags must be attached by tying string to ring and tag. Do not tape tag to jar.
